

TASSIMO  
PROFESSIONAL

INTELLIGENT SYSTEM. EXCEPTIONAL TASTE.

A SMARTER WAY TO OFFER PREMIUM COFFEE. Introducing TASSIMO PROFESSIONAL. This intelligent brewing system features scannable T-DISCS that contain a precise amount of premium ground coffee, tea or chocolate. The bar code reader assures a custom brew by controlling water temperature, pressure, volume, flow rate and infusion time to prepare a perfect cup. Let the simplicity begin.

### FULL OF BRIGHT IDEAS

- Premium specialty drinks.**  
 Specialty espresso-based beverages, such as cappuccinos and lattes, are prepared with real liquid milk in less than 2 minutes. By combining different varieties, users can create hundreds of delicious drinks, including Belgian Chocolate Latte—a combination of SUCHARD Chocolate and TASSIMO Latte.
- Upscale Variety.**  
 With well-known brands such as GEVALIA, TWININGS and SUCHARD, TASSIMO PROFESSIONAL ensures a favorite hot beverage for every employee.
- One button. One-of-a-kind quality.**  
 The TASSIMO PROFESSIONAL system puts a full range of premium hot beverages at the user's fingertips. Turn your office into a destination with a machine so easy to use, it's just like having your own *Barista Inside*.
- Loss Prevention.**  
 TASSIMO PROFESSIONAL T-DISCS are not compatible with home TASSIMO systems.
